

NBCWATERSHEDEXPLORERS.COM Scavenger Hunt

Please visit the Narragansett Bay Commission (NBC) Watershed Explorer website at www.nbcwatershedexplorers.com and answer the following questions. Once you have answered the questions, either email them to Mrs. Morissette from the button at the bottom of the website (please include your full name and teacher's name in the subject) or record the answers on this sheet and bring it in to give to Mrs. Morissette during any of her monthly visits. This can be done from now until April. Students who complete the scavenger hunt will receive a small prize for handing it in.

- 1. In the welcome message on the homepage how many gallons of wastewater did it say the Narragansett Bay Commission cleans every day.**
- 2. Click on the Journal button on the homepage (Green buttons). What is one of the November journal questions that you must answer?**
- 3. Click on the Really Cool button on the homepage and then click the article about science jobs. Name one of the scientists that the article discusses.**
- 4. Click on the Blog button on the homepage. There are two posts at the very top of the page. Name one of the animals that you see.**
