

NBCWATERSHEDEXPLORERS.COM Scavenger Hunt

Please visit the Narragansett Bay Commission (NBC) Watershed Explorer website at www.nbcwatershedexplorers.com and answer the following questions. Once you have answered all of the questions, either email them to Mrs. Morissette from the button at the bottom of the website (please include your full name and teacher's name in the subject), or record the answers on this sheet and bring it in to give to Mrs. Morissette during any of her monthly visits with the class. This can be done from now until April. Students who complete the scavenger hunt will receive a small prize for handing it in.

Second grade students please answer at least two of the four questions, third through fifth must answer all four!

- 1. Find the blog button on the home page, click it. Find the article about the spicebush swallowtail caterpillar. What is its scientific name?**
- 2. Scroll over the water testing data button on the homepage. When the drop-down menu appears, choose winter data 2022. Read the about the test results and record which test registered positive at all sites.**
- 3. Scroll over the field trips button on the homepage. When the drop-down menu appears choose 2022 Spring Field Trips. When the page pops up, which critter do you see in the picture on the top left?**
- 4. Scroll to the very bottom of the homepage and write the name of one of the critters that is pictured.**
